FLSmidth Service Center for KOVAKO Ship Unloaders

Premium Service, Genuine FLSmidth Parts

www.flsmidth.com

The FLSmidth Office in Pinneberg, Germany, is also servicing KOVAKO Pneumatic Unloader and offers:

- Field Services
- Training
- Technical supports
- Emergency repairs
- Spare parts handling
- Modernization

Field service and emergency repairs

Our factory-trained technicians provide on-site assistance to help you repair or troubleshoot your KOVAKO Unloader during an emergency or regularly scheduled maintenance.

Technical support and training

FLSmidth has an engineering staff on hand to assist in any problem solving required to meet the needs of your operation.

Spare parts handling / modernisation

FLSmidth offers spare parts support for all types of KOVAKO Ship Unloader. Many of the spare parts are in stock in our warehouse and can be provided immediately to any location world-wide.

Modernisation - Upgrading of machines

In addition to spare parts handling we are qualified to carry out modernisation and upgrading of the KOVAKO machines in order to increase performance and reliability of the system.

FLSmidth Hamburg offices and service center

Our Pinneberg facility services KOVAKO customers world-wide.
